Web Analytics
Understand which pages people visit and where visitors come from. Learn more
Enable
Limits & Pricing
Real-time insights into your traffic
See your top pages, referrers, and visitor countries.
Deeper insights with custom events
Track actions that matter to your site.
Respects visitor privacy
Web Analytics doesn't rely on cookies and doesn't store personal information.
First-party, at the edge
Collect analytics through your site's domain.
Easy integration
Start collecting data with one line of code. Supports all major frameworks.
Your site stays fast
The light-weight trackings script is less than 5kb.
